NOTICE TO PERMIT HOLDER:

Issuance of special use permits for Polk County Environmental Lands is by application only. Please keep this permit with you when on County properties. Active permits may be voided by the Environmental Lands Program at certain times of the year due to land management activities or adverse impacts on the resources. Failure to comply with the Public Use Ordinance #08-003 as amended is cause for termination of this permit. For more information, call the Environmental Lands Program at (863) 534-7377.
